Dear Mr Harrington

Regarding our recent correspondence about the freedom of information performance levels of Essex Police.

I am pleased to advise you that your performance levels have now been sustained at 90% or above for more than 6 months.

Your robust and well established action plan has no doubt contributed to such a high level of improvement.

You no longer need to send monthly performance statistics to us.

If you do experience performance issues again in the future please do let us know as soon as possible.

Thank you for your cooperation and commitment to making these improvements.

Yours sincerely

Louise MacDonald
