Every effort is made to ensure that figures provided are accurate and complete, however, Essex Police systems are designed primarily for the management of individual cases and not primarily for the production of statistical information. Please note although data can be extracted from a number of sources via database queries the results are subject to inaccuracies inherent in any large scale recording system and could also be inaccurate as a result of free text entry fields. Care should be taken to ensure data collection processes and their inevitable limitations are taken into account when interpreting data.

Essex Police trusts that the information provided is of assistance. Thank you for your interest in Essex Police.
