

## **Essex Police Trade Union Facility Time Reporting**

In line with new government regulations – The Trade Union (Facility Time Publication Requirements) Regulations 2017 – Essex Police has followed the reporting principles set out in the UK Government’s methodology, which came into force in April 2017, to collate and publish data on the amount and cost of facility time within Essex Police. The data represents the financial year 1<sup>st</sup> April 2019 – 31<sup>st</sup> March 2020.

Essex Police reports that it spends 0.06% of its total pay bill on Trade Union Facility time.

Essex Police reports that its Union officials spend 4.18% of time on paid trade union activities as a percentage of total paid facility time.
