## **Corporate Services: Performance Summary**

### **Essex Police Performance Summary: To June 2016**

#### **1. Introduction**

This performance summary is designed to inform individual districts if, cumulatively, they are performing better or worse than the same period last year. It is expected that this data, where required, will be shared with the Community Safety Partnerships, as well as acting as an aid to officers attending local engagement meetings.

*Please note that the year to date and radar charts have not been included in this pack. This is due to a change in processes in April 2015 which temporarily resulted in lower than expected crime numbers in April 2015. Work was undertaken throughout May 2015 to address these issues and to record all crimes reported. The year to date and radar charts will be provided again in the pack which reports data to July 2016.*

If you have any questions regarding this data, please contact the Performance Information Unit - email: [PerformanceAnalystTeam@essex.pnn.police.uk](mailto:PerformanceAnalystTeam@essex.pnn.police.uk)
