

Stop and Search End of Year Performance Report

Reporting Period: 1st April 2014 – 31st March 2015

Author: PS 3211 Mills, Local Policing Support Unit

Overview of Performance Data

Searches

- **5309** stop searches were conducted during the 2014-2015 period. This is in comparison to **8201** searches in 2013-2014 and **5879** in 2012-2013.
- The highest number of searches were conducted in Colchester (**824**) and the second highest number in Southend (**700**).
- The lowest number of searches were conducted in Castle Point & Rochford (**232**) and Harlow (**252**).
- The number of searches conducted on persons from black or minority ethnicities amounted to **14.2%** of the overall number of searches. This is in comparison to an overall total of **12.06%** in 2013-2014.
- **3060** searches were conducted for drug related offences, **715** searches for Going Equipped items, **569** for Stolen Property and **547** for Offensive weapons.

Arrests

- **349** searches resulted in arrest during the reporting period, compared to **508** in 2013-2014 and **356** in 2012-2013.
- **208 (61%)** arrests resulted from drugs searches, **78 (23%)** arrests from stolen property searches, **25 (7%)** arrests from Offensive weapon searches and **21 (6%)** arrests from Going Equipped searches.

Positive Outcomes

- The overall positive outcome rate for the 2014-2015 period was **12.9%**. (Includes arrest, Khat/cannabis warning, PND, Caution and Community resolution)
- The overall positive outcome rate for the previous year, 2013-2014 was **9.75%**. It must be noted however that the positive outcome counting rules have changed since 2013-2014, as more positive outcomes are now recorded according to the Best use of stop and search scheme.
- The highest positive outcome rate by District was Uttlesford and Braintree with **20.5%** and the lowest positive outcome rate (excluding Brentwood and Epping) was Tendring with **9.9%**.

Points of note

- Due to legacy custody systems it is not possible to accurately record the number of arrests which have occurred in the Brentwood and Epping District.
- There are **182** outstanding stop search records which do not have a recorded outcome for the search.
